3 years

OCCUPATION TYPE

Full Time

JOB DESCRIPTION

To work in the Chassis Team to identify and finalize the mechanical and software spec's necessary to meet ride, handling, steering, and braking performance to meet government standards.

WORKING AT INDI EV

Other than offering an endless supply of snacks and coffee, we provide our people with full medical, dental, and vision benefits. Work/life balance is also key, so we offer solid paid vacation time, and a compensated week off between Christmas and New Years. All jobs are located onsite at our headquarters in Los Angeles.
